Blame It On The Kellys – Shel Silverstein

About The Song

Shel Silverstein was the composer for the soundtrack of the 1970s movie Ned Kelly, starring The Rolling Stones singer, Mick Jagger.

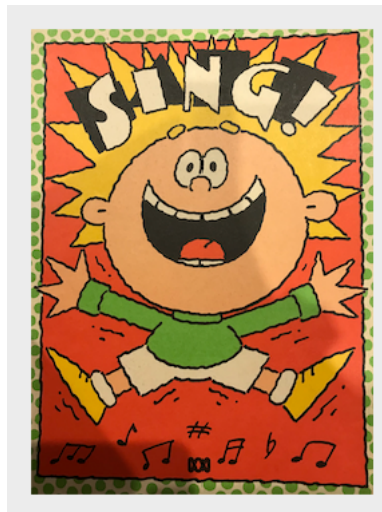

In the movie the song was sung by Waylon Jennings.

Here's a YouTube clip showing where the song appears in the story.

My Reflection

I was really lucky to find out about this song from my auntie who learnt it at school. Also, that she had the ABC Songbook from 1986!

I really enjoyed learning this song, but it took a while to memorise all the verses and also, to be able to hit the long note D in the top of my voice.
